

Abington Human Relations Commission: Minutes

January 3, 2019

Present: Amy, John, Joanne, Razinn, Shelley

We reviewed and re-edited the presentation to the Commissioners. Joanne was told that we would only have about five minutes, so we cut the slides to the absolute minimum and added slides that highlight our activities in the two years since we last presented to them and our plans going forward this year.

We decided to update our brochure and start a social media presence. We are going to ask Commissioner Jon Spiegelman if he would help design the brochure.

We have a confirmed date to present to Abington Friends School students in April. Shelley and Razinn will do that presentation.

We also have dates for the Jenkintown Rotary presentations. They want us to present twice, one will be our introductory presentation and one will be on Implicit Bias.

We decided to edit all of our former documents and introductory letters. John offered to put them all online so that we can all see them and make suggestions. He will then compile edited copies.

Amy let us know that she will need to retire from the HRC because of pressing home responsibilities.

**Next meeting: Feb. 6, 2019**
