**HISTORY**

Our Spring Luncheon was a delightful event including perfect weather.  
Bruce Copp entertained us, and a good time was had by all.

Our day at Penn's Peak Dinner Theatre was an afternoon filled with great  
music. Truly, the four guys and a gal who starred in the show were just  
overflowing with talent.

Finally, our Local Trip to the Abington Friends Meeting House was very  
informative. I'm sure most of us learned at least one new fact concerning  
the Religious Society of Friends. Following was our usual great lunch  
prepared by the Department of Culinary Arts at the Eastern Center for Arts  
& Technology.
