

Abington HRC: Minutes

Feb. 6, 2019

Present: Shelley, Joanne, John, Rosemary, Kristin

We received a donation of \$500 from the Jenkintown Rotary and will be presenting a two-part program to them in March and April. The first part will be an introduction to the HRC and the second will be the Implicit Bias program.

We will also be presenting to Abington Friends School students in April.

A representative from the newly formed Upper Dublin HRC will contact Shelley about the Tri State HRC. Shelley just received word that Tri State will be gearing up again.

All of our introductory letters are edited and ready. We decided to send them by both email and snail mail on Township letterhead. Next month, we will review a list of suggestions and send out about ten at a time. Included may be Salem Baptist Church and Abington Presbyterian Church. Kristin met with her Commissioner, Matt Vehey, for suggestions. She will also explore the Keswick and Roslyn Business Associations.

Shelley met with Deputy Chief Kelley Warner who wants us to do brief “introductions” to the HRC at police roll-calls in the spring.

Commissioner Spiegelman has our brochure for design work and it’s almost ready.

After adjourning the meeting, we presented an introduction to the HRC to the Committees of the Commissioners. It was quite well received and Chief Patrick Molloy thanked us for the work we’d done with the Police Department last spring.

Next Meeting: March 6, 2019
