

Meeting Minutes

HRC – Wednesday, March 6, 2019

Joanne, John, Razinn, Rosemary, Kristin, Casey

Michael Clarke, Township Solicitor, is the solicitor for Plymouth Township and they had an incident and met with MAACP and agreed to do Implicit Bias training. Information about our HRC was given to the Plymouth Township Chief of Police and Township Manager to contact us but we have not heard from them as yet.

Joanne shared an article on LGBT protection under sex discrimination legislation. Creative interpretation – complaint on the basis of LGBT bias. We still need to send concerns like this to the state to file sex discrimination case.

New Brochure – members reviewed the brochure and made edits.

Implicit Bias – Razinn and Rosemary to send out links to Starbucks Bias Training so we can review their materials and update our training in preparation for training Plymouth Township Police.

Discussion of presence on social media. Instagram and Twitter lockdown name for future use. Facebook page is an idea, but we need to have a plan and structure before launching a fb page. Maybe begin by building content around a monthly theme.

Come to next meeting prepared to edit the Implicit Bias training slides.

Discussion of changing our meetings to the second Wednesday of each month so we could get a consistent meeting room.

Next meeting April 3.
